

PROFESSIONAL DUAL PURPOSE EFB

930080080B912

KLJUČNA PREDNOST VOZILA

Designed for motorhomes

Designed for motorhomes, caravans and boats to run electrical equipment with moderate energy requirements

Minimal self-discharge

Minimal self-discharge makes it ideal for seasonal use

Dual Power Applications

Ideal for dual power applications (can be used for both starting and overall energy supply)

PROFESSIONAL DUAL PURPOSE EFB

930080080B912

TEHNIČNE INFORMACIJE

Zmogljivost baterije:	80 Ah	CCA, EN:	800 A
Napetost:	12 V	Dimenzije (D/Š/V):	315/175/190
Velikost ohišja:	H7/LN4	Short Code:	LED80
UK-Code:		ETN:	930080080
Teža napolnjena:	21,59 kg	Zadrževanje baze:	B13
